# RAISING FUNDS TO SUPPORT THE ALBION FOUNDATION

The Albion Foundation is a registered charity that works in partnership with West Bromwich Albion Football Club. The aim is to use the medium of football and the kudos of West Bromwich Albion Football Club to make a difference in the local community.

We were formed in 1992 and became a registered charity in 2000 (Charity number 1081948)

Our motto is 'Inspire to Achieve' and this guides our strategic objectives which are as follows:

- To make a difference and raise aspirations in our local community
- To add value to West Bromwich Albion Football Club and our community partners
- To grow our own staff and create an inspiring working environment

We have a clear vision for the future of the Foundation where we strive to be:

- Best deliverer of football (and selected sports) activities in the country
- Best alternative education provider in the country

If you would like to donate to The Albion Foundation or start raising money for this great charity then please visit:
