

Player Development Centre Playfootball Arena:

On arrival all players must sign in and show booking conformation with Tom Turton. (Inside the playfootball arena, towards the back by the pitches, ask on reception if you require further directions.)

Once players have signed in they must meet at the designated pitch prompt.

All pitches are outdoors on 3G artificial grass and playable in all weather.

Players must bring waterproof jacket, shin pads, drinks and wear either moulded boots or AstroTurf trainers – no metal studs!

If you require any further information then please contact Tom Turton via email;
